DECEMBER 2019

## BOZMERIX

BozMerix is a unique, revolutionary supplement for horses, designed to support the horse's natural anti-oxidant systems. This is suitable for horses in competition (where products such as bute cannot be used), horses suffering from joint pain, stiffness, older horses, and horses recovering from surgery.

- **\*\*\*Fully FEI Compliant\*\*\***
- No bulking agents or sugars
- 100% active ingredients
- Palatability guaranteed.
- To be fed as a nutritional adjunct for the maintenance of normal articular, muscular joint functions
- Designed to support the horse's natural anti-oxidant system

**BozMerix comes as a box of 60 x 10g sachets (up to 60 days' supply). If you would like further information or are interested in using this for your horse contact the practice.**

## BOZMERIX INGREDIENTS

A powerful blend of 4 scientifically-proven ingredients:

- *Boswellia Serrata* which is a readily available herb that has soothing and relieving properties. It has a synergistic effect when combined with micro-encapsulated curcumin.
- Micro-encapsulated Curcumin which is derived from Turmeric and has well documented anti-oxidant properties to support normal orthopaedic comfort. Being micro-encapsulated has improved bioavailability by a factor of 85 compared to standard Curcumin.
- ASU (Avocado/soybean unsaponifiable) assists with production of glycosaminoglycans and assists in the maintenance of normal articular cartilage.
- Omega powders (high in EPA and DHA) are very important in order to maintain structural integrity in the cell membrane.
