VETERINARY ELITE JOINT SUPPLEMENT

Veterinary Elite Joint Supplement is one of the most powerful equine nutraceuticals for joint health available on the market. Veterinary Elite Joint Supplement contains *Boswellia Serrata*, a readily available herb, blended with Chondroitin Sulphate, Hyaluronic Acid, Glucosamine HCL (99% pure) and MSM.

Palatability Guarantee Is your horse a fussy eater? All of our own branded supplements are covered by a palatability guarantee. If your horse doesn't eat one of these nutraceuticals than you can return it for a full refund!

WELCOME TO THE PRACTICE

We are delighted to introduce the newest member of the team and our fourth vet, Emily Tillett BVSc MRCVS. Some of you may recognise Emily from when she saw practice with us when she was a student. Emily grew up in Bedfordshire and spent many years competing on Pony Club mounted games teams. She qualified from Bristol Vet School in 2018 and has been working in equine practice in Devon ever since. She has a keen interest in internal medicine and when not working enjoys gliding and she still continues to ride. Welcome to F&P!
