BOZMERIZ - NEW POUCH AVAILABLE

A new 1.5kg pouch is now available (up to 150 days' supply). The pouch is the equivalent to 2.5 times the box size. The pouch itself is 100% recyclable, environmentally friendly and sustainable.

BozMerix is a revolutionary supplement to aid the natural systems in the horse that control inflammation and assist in orthopaedic comfort. This is suitable for horses in competition (where products such as bute cannot be used), horses suffering from joint pain, stiffness, older horses, and horses recovering from surgery.

Contact the practice for further information or head over to our online shop to see the full range of supplements available.

THE BENEFITS OF BOZMERIX

- ***Fully FEI Compliant***
- No bulking agents or sugars
- 100% active ingredients
- Palatability guaranteed.
- To be fed as a nutritional adjunct for the maintenance of normal articular, muscular joint functions
- Designed to support the horse's natural anti-oxidant system

SWEET ITCH

Does your horse/pony suffer from sweet itch? We are starting to compile the 2022 list for horses we hope to help manage the condition. For more information please contact the office on 01442851921 or email admin@farrandpursey.com. Please make all enquiries or add your horse to the list before the end of December.
