JUNE 2024

WELCOME BACK EMILY

F&P'S VERY OWN LITTLE MISS SUNSHINE IS BACK!!

We are very pleased to share that Emily is back from her amazing adventures and will be joining us at the practice from June until the middle of September. As many of you know from your own experiences with Emily she is a ray of sunshine with a wealth of experience and we know many of you will be very happy to see her out and about on visits again.

Upon Emily leaving the practice in September her adventures will continue in returning abroad to continue her veterinary career for another season, in this time we will look forward to her return in 2025!

PRACTICE OPEN EVENING THURSDAY 13TH JUNE

We appreciate it has been a while and not all people want the same thing from a client evening (apart from free food... which there will be!)

Therefore we are putting on several subjects so you have a choice:

Listen to a client talk. Covering several topics, including a new lameness treatment without the laminitis risk!

Take part in a live dissection. Time to get a little dirty, legs, heads.... we will show you the anatomy and why things aren't always quite straight forward as they first sometimes appear.

Meet the new team. We have several new team members, so come and meet them. Ask questions and see why they have become a part of the F&P team. We also have Emily returning, so come and say hi!

Get up close and personal with the equipment – in some instances have a play and ask as many questions as you want! yes, that's right.... have you ever wanted to use an endoscope or even a laser? This might be your chance!!!

5% PROMPT PAYMENT DISCOUNT

As per our terms & conditions, the Practice offers a 5% prompt payment discount (PPD) for any invoice paid at the time of a visit or by the end of the following working day. The 5% discount is valid on all products, services and lab fees (excl. worming package)
