LAMINITIS IS YOUR HORSE OR PONY AT RISK?

The spring grass has made an appearance and so, unfortunately, have the laminitis cases. We have created a package for owners to help identify whether their horse or pony is at higher than average risk of developing laminitis, enabling us to put in place a targeted action plan.

WHAT'S INCLUDED

- Foot balance x-rays
- Farrier liaison
- Insulin blood test
- Weighing (using our mobile weighbridge), body condition scoring and diet analysis
- Reduced price ACTH testing (if applicable)

LAMINITIS RISK

ASSESSMENT PACKAGE

£200 PLUS A STANDARD

WHAT TO DO NEXT?

Did you miss out on April's launch of our laminitis risk package? Contact the practice now on 01442 851921 to book your horse in and get them protected this spring!!

The visits need to be arranged prior to 15th May 2026.

T&Cs :Offer available to existing clients only. Horses/ponies must have not had a clinical case of laminitis in the last 2 years.

The package is not eligible for the prompt payment discount.

Visit fees and sedation (if necessary) are not included in the package.

EHV AMENSTY

Vaccinated horses show fewer symptoms of respiratory disease and shed less virus. The more horses vaccinated at your stable, the better the herd immunity.

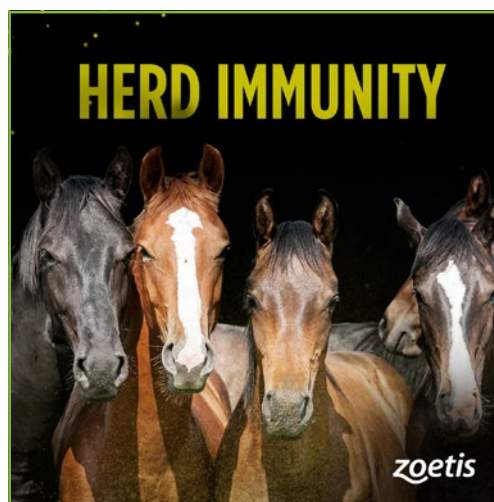

If you start the EHV vaccine course and get the first and second vaccination done by the 31st July 2026, you can get the third one FREE!*

To find out if your horse is eligible for the vaccine amnesty contact the practice on 01442 851921 or email admin@farrandpursey.com
