SEPTEMBER 2026

JOIN US AT OUR CLIENT EVENING: "TAKING CARE OF A GERIATRIC HORSE"

Wednesday 16th September
Church Farm Cafe, Aldbury
7:00pm

Presented by Boehringer, this talk will cover all things PPID (Pituitary Pars Intermedia Dysfunction, also known as Equine Cushing's Disease) and more. It's for anyone with a geriatric horse, or who wants to know what to look out for in the future.

Join the usual friendly F&P faces for an informative evening discussing management, weight, osteoarthritis and PPID, including the risks involved.

Boehringer will also be providing goodie bags for attendees on the evening.

CARE ABOUT CUSHINGS - FOCUSED CUSHING'S AWARENESS MONTHS

- Free* diagnostic PPID testing is now available throughout September and October – whilst diagnostic accuracy of the ACTH test peaks.
- NEW free* dose-checker test 4-6 weeks after treatment initiation. The practice can generate a free* dose-checker test voucher 4 weeks after the initiation of Prascend® treatment, rather than having to wait 6 months for the 1st free* monitoring test.
- Patients receiving treatment will continue to be eligible for a FREE* annual monitoring test when signed up to the care about cushings campaign.

(*free ACTH laboratory test fees only; visit fee, sampling and interpretation fees not included).

WELCOME FLORRIE!

We are super excited to announce our new vet Florrie Clark MA VetMB MRCVS who joined the practice in August.

AUDEVARD SUPPLEMENTS

[CONTACT THE PRACTICE FOR MORE INFORMATION](#)

Some of you may have had the pleasure of meeting Florrie already. She's looking forward to continuing to meet our fantastic clients and their beloved horses when out attending visits!
